Ladies,

We are inviting you to become Sisterhood members for the coming year 2013-2014.

Say YES to joining our Sisterhood group, as together we enrich our lives as Jewish women and have fun together. Through our affiliation with Women's League for Conservative Judaism we also are connected to Conservative/Masorti women across the continent and around the world.

Check out the list of our accomplishments and activities last year! Sisterhood was a source of varied, enlightening and fun programming. Plans for 2013-14 programs are underway, and you are very much needed, wanted and appreciated.

Our dues remain the same for the 2013-2014 year at \$30.00. Please make your check payable to MBIEE Sisterhood. Feel free to copy this letter/form for your relatives, friends and neighbors, and invite them to join our group. For only \$30.00 they can also become ONE OF US!

Together with your check, please enclose the Membership Form below, printing your name, address, telephone number, and email address, so our membership records will be correct for the coming year. Forward these to the office by or before Friday, August 2.

We look forward to having you with us!

Shalom,
Ariana Burrows
