A SPECIAL HIGHER AND HIGHER

Wednesday January 20 at 12:00 PM NOON

THE STATE OF AMERICAN ANTISEMITISM

An analysis of American Jewish Committee's recently released report that includes the largest-ever surveys of American Jews and the U.S. general public on antisemitism in America. The report shows deep anxiety among American Jews and divergent views among the general public about the severity of antisemitism in the United States; a unique opportunity to understand the impact of rising "Jew-hatred" in America.

AJC PRESENTERS

MARCIA BRONSTEIN, AJC Regional Director, MBIEE member
HILARY LEVINE, Associate Director

MBIEE is pleased to partner with AJC to bring this important program to our community.

The program is FREE to attend BUT preregistration is required for the ZOOM LINK.
